CIRCLE Progress Monitoring (CPM)
Frequently Asked Questions

1. **Do you offer live suppor**t?
   Yes, we do offer live support through web conferencing sessions called office hours. Office hours are offered on specific days during the school year.

2. **Where can I find information about CIRCLE Progress Monitoring for students with accommodations?**
   You may find more information in the [CIRCLE Progress Monitoring User Guide](). You may also submit a help ticket and we can provide resources for the measures. In addition, more information can be found in the [CIRCLE Progress Monitoring Accommodations Guide for Special Populations]()

3. **How do we explain out-of-range for Prek-4?**
   Out of range simply means that there wasn't enough data to establish a really strong Bell curve in order to say this is what is typical for this age group for this exact measure for this exact question.

4. **Which measures are required for the Early Childhood Data System (ECDS)**?
   Visit [ECDS Uploads for Pre-k Data- CLI Engage Public]() for the Required CPM Measures for ECDS.

5. **Is CIRCLE Progress Monitoring aligned with the new Texas Prekindergarten Guidelines?** Each CPM measure is directly aligned to the Texas Prekindergarten Guidelines. [CIRCLE Progress Monitoring-Texas PKG Alignment]()
